Limerick Panto Society's Cinderella At the University Concert Hall – Celebrating 25 years of Panto

The Limerick Panto Society are busy rehearsing this Autumn for this year's production *Cinderella* which will be staged, at the **University Concert Hall** from **December 2009 to January 2010**. This year's Production will be the **Society's 25th** annual Production.

This season's offering is the classic Pantomime *Cinderella* and will be the society's **20th annual production** having commenced in January 1986 with *Cinderella*. There will be a huge cast of both experience members of the society and some outstanding newcomers.

The society are delighted that this year's show will once again be supported by corporate sponsors the **Crescent Shopping Centre** - The Crescent has always supported the group and the society are grateful to the **Traders Association** for their continued support. Managing Director of the Centre, **John Davitt** has always given great support and encouragement to the Group. There is a strong link with the Centre as our wonderful "Dame" **Tim Cusack** works as Services Manager at the Centre. This year Tim will play **Esther Fabric** one of the ugly Sisters - Tim will enthral both young and old with his zany sense of humour.

John Finn has penned the original script – John is widely known for his appearances with many of the local dramatic groups and has written many pantomimes for the Society. The story will as usual contain many surprises and promises many twists and turns along the way.

The Society continues its policy of supporting children's charities and this year the **Charity Night** is in aid of **Limerick's School for the Deaf**.

The Panto Society has had the support of local Stage and Dance Schools all through the years. Performing in *Cinderella* will be **Spotlight Stage School** under the direction of **Judy O'Connor** and **Margaret Hough** and **Expressive Arts** under the direction of **Pearl Kiely**, **May O'Halloran** and **Gerri O'Sullivan**. It is wonderful to see the talent being produced by all these hard working Stage Schools.
